

Barrier Fencing Mesh

A high quality durable barrier fencing mesh, ideal for cordoning off areas on construction sites and at sporting events. Manufactured in different weights and grades to suit applications.

Euromesh® is easy to erect using steel fencing pins and provides higher visibility and more protection than standard barrier tapes.

- Manufactured from polypropylene
- Re-usable
- Bagged for protection/storage
- Available in yellow, blue & green

Available in: Orange, Yellow, Blue & Green
